

During spring term, when we were learning about Loch Ness monster, we had been given the opportunity to sew a soft toy.

“I enjoyed stitching Loch Ness monster because I was given a chance to use needle and my Nessie came out really well” student in year 4.

Another student commented, “My favourite part when sewing Nessie was gluing the eyes on the felt and joining the legs because at that time I knew my product was finished and I could take it home!”

“Stuffing my toy was the best part of sewing!” student in year 4.
